Road Stream Crossings

- *Crossings on private roads not shown.

Find crossing details on the Stream Viewer - beginningwithhabitat.org/maps

- ### Organized Towns

- Impervious surfaces including buildings and roads.

Reflects surveys on selected Maine streams.

Reflects surveys on selected Maine streams.

Lakes and ponds in Maine that have been designated as Maine Heritage Fish Waters according to Title 12, §12461. State Heritage Fish Waters.

National Wetlands Inventory (NWI) uses aerial photographs to approximate wetland locations. NWI data typically under represents the presence of wetlands on the landscape.

Areas are delineated by ME Dep. of Environmental Protection's Mandatory Shoreland Zoning Act, which includes areas within 250 feet of great ponds, rivers, and wetlands, and within 75 feet of streams. The regulations within each shoreland zone depends on the town, and towns may regulate greater areas than what is shown here.
