

equips Maine communities, landowners, and conservation partners with tools to protect, restore, and connect important habitats and ecosystems in a changing climate.

Habitat Connectivity

Conserved Lands, Undeveloped Habitat Blocks & Habitat Connectors

Kingfield

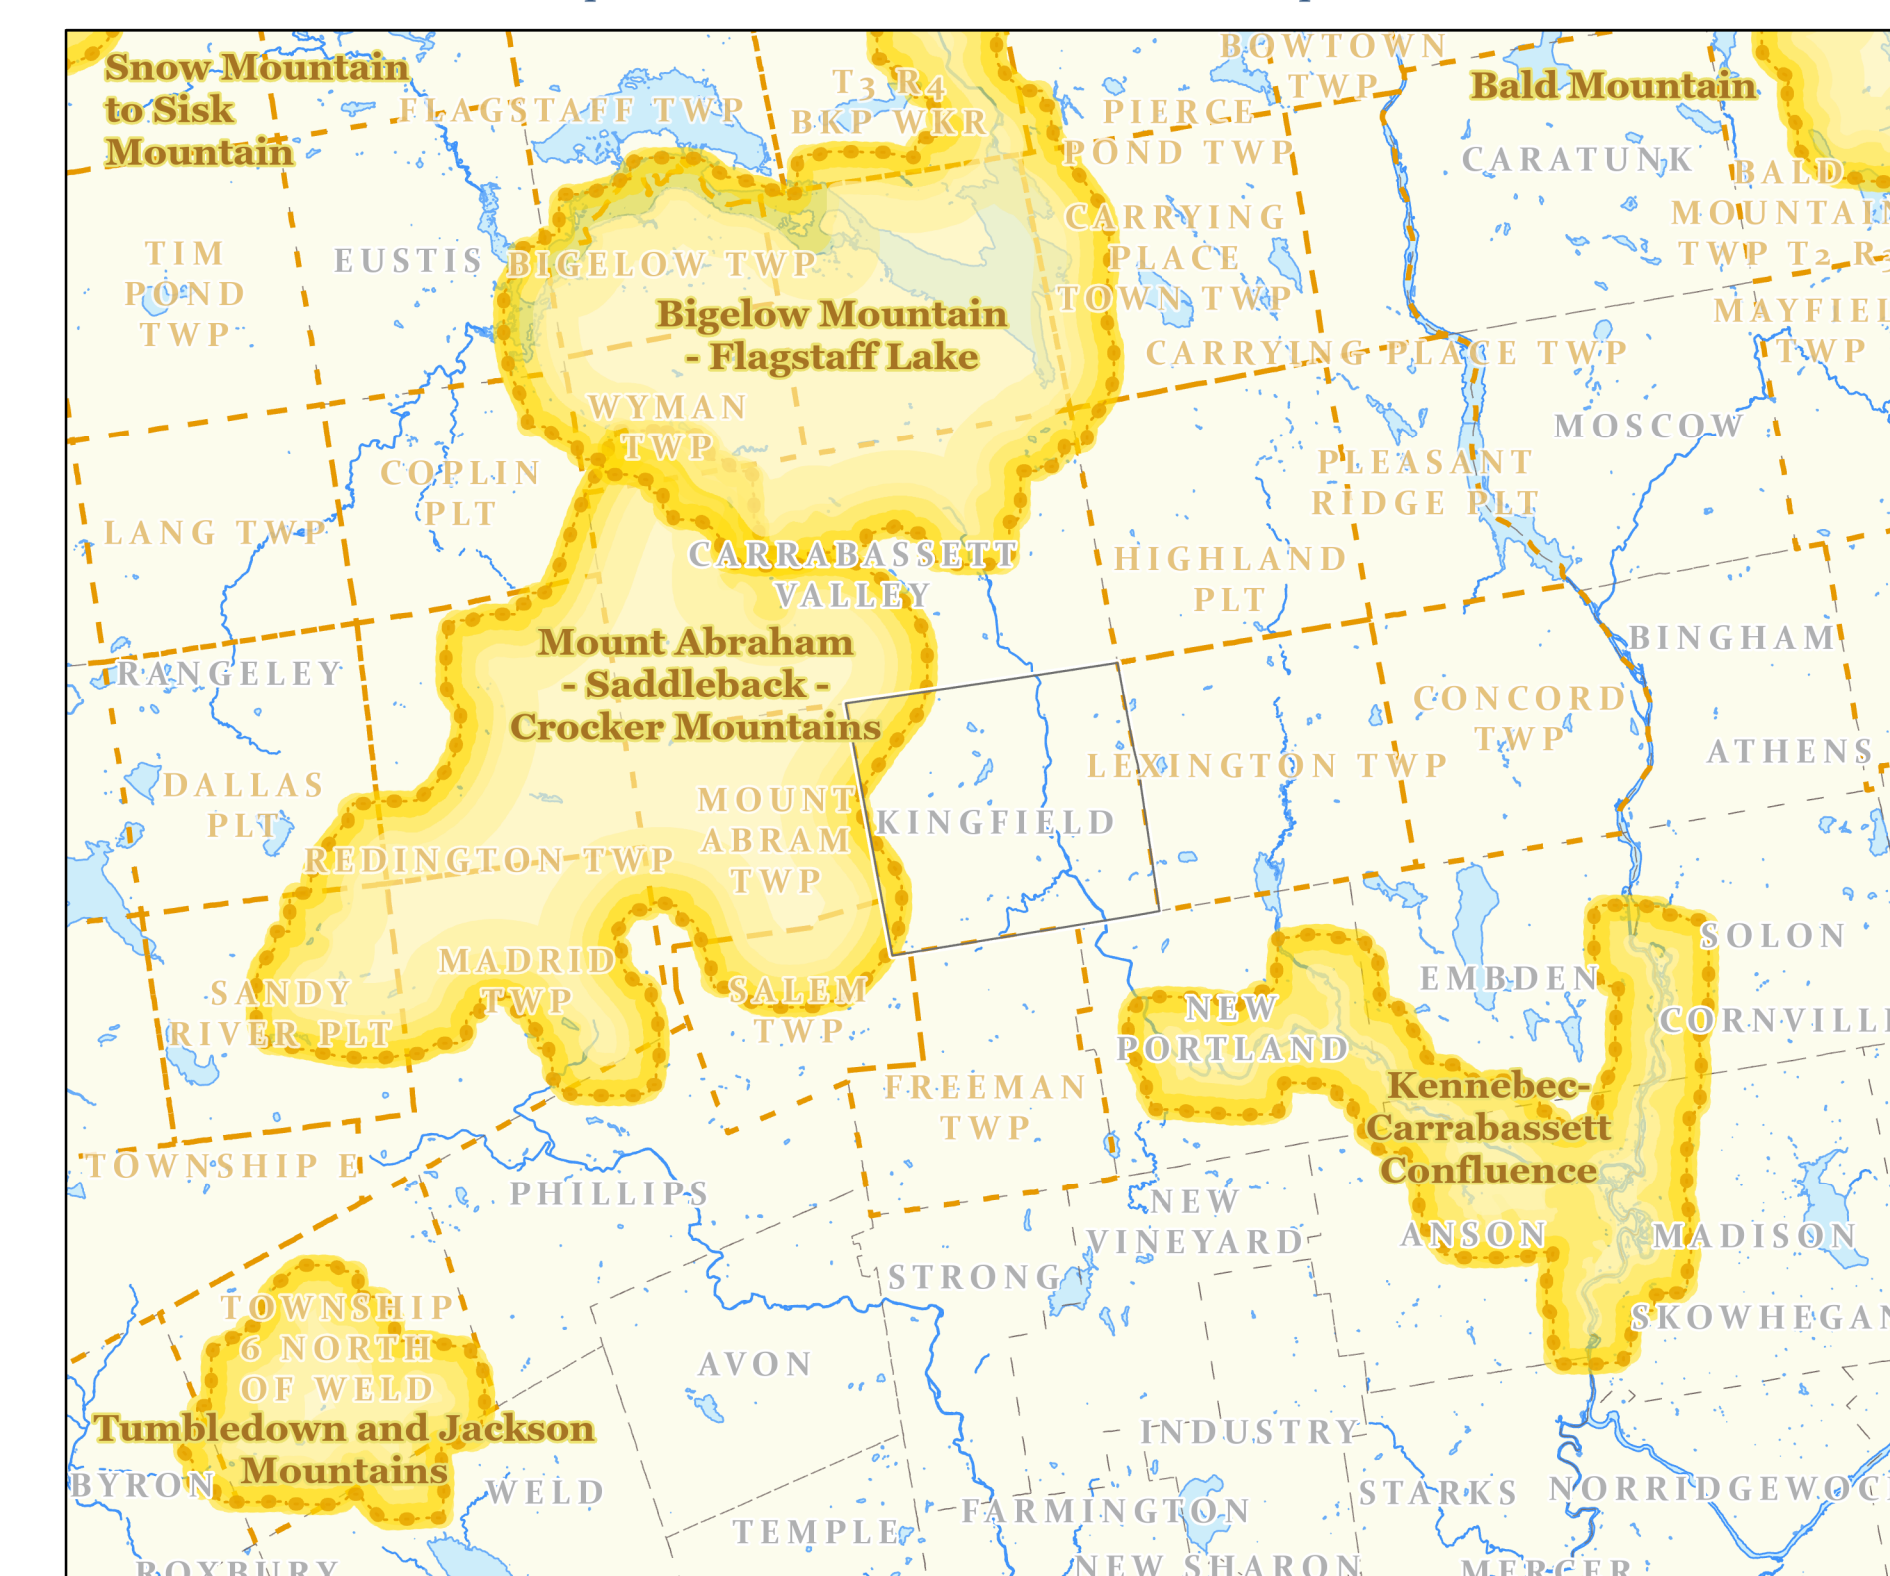

Comprehensive Plan Review Criteria Rule (DACF Chapter 208) requires blocks >500 acres be considered important natural resources for town comprehensive planning.

500 + Acres **Likely Road Crossing Areas for Wildlife** **Fee and Easement Conservation Land**

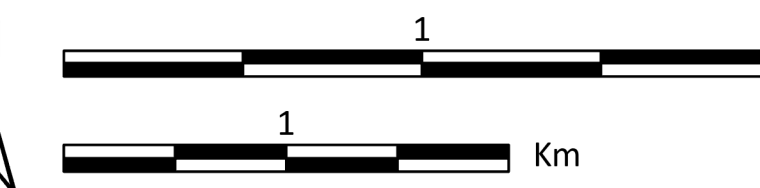

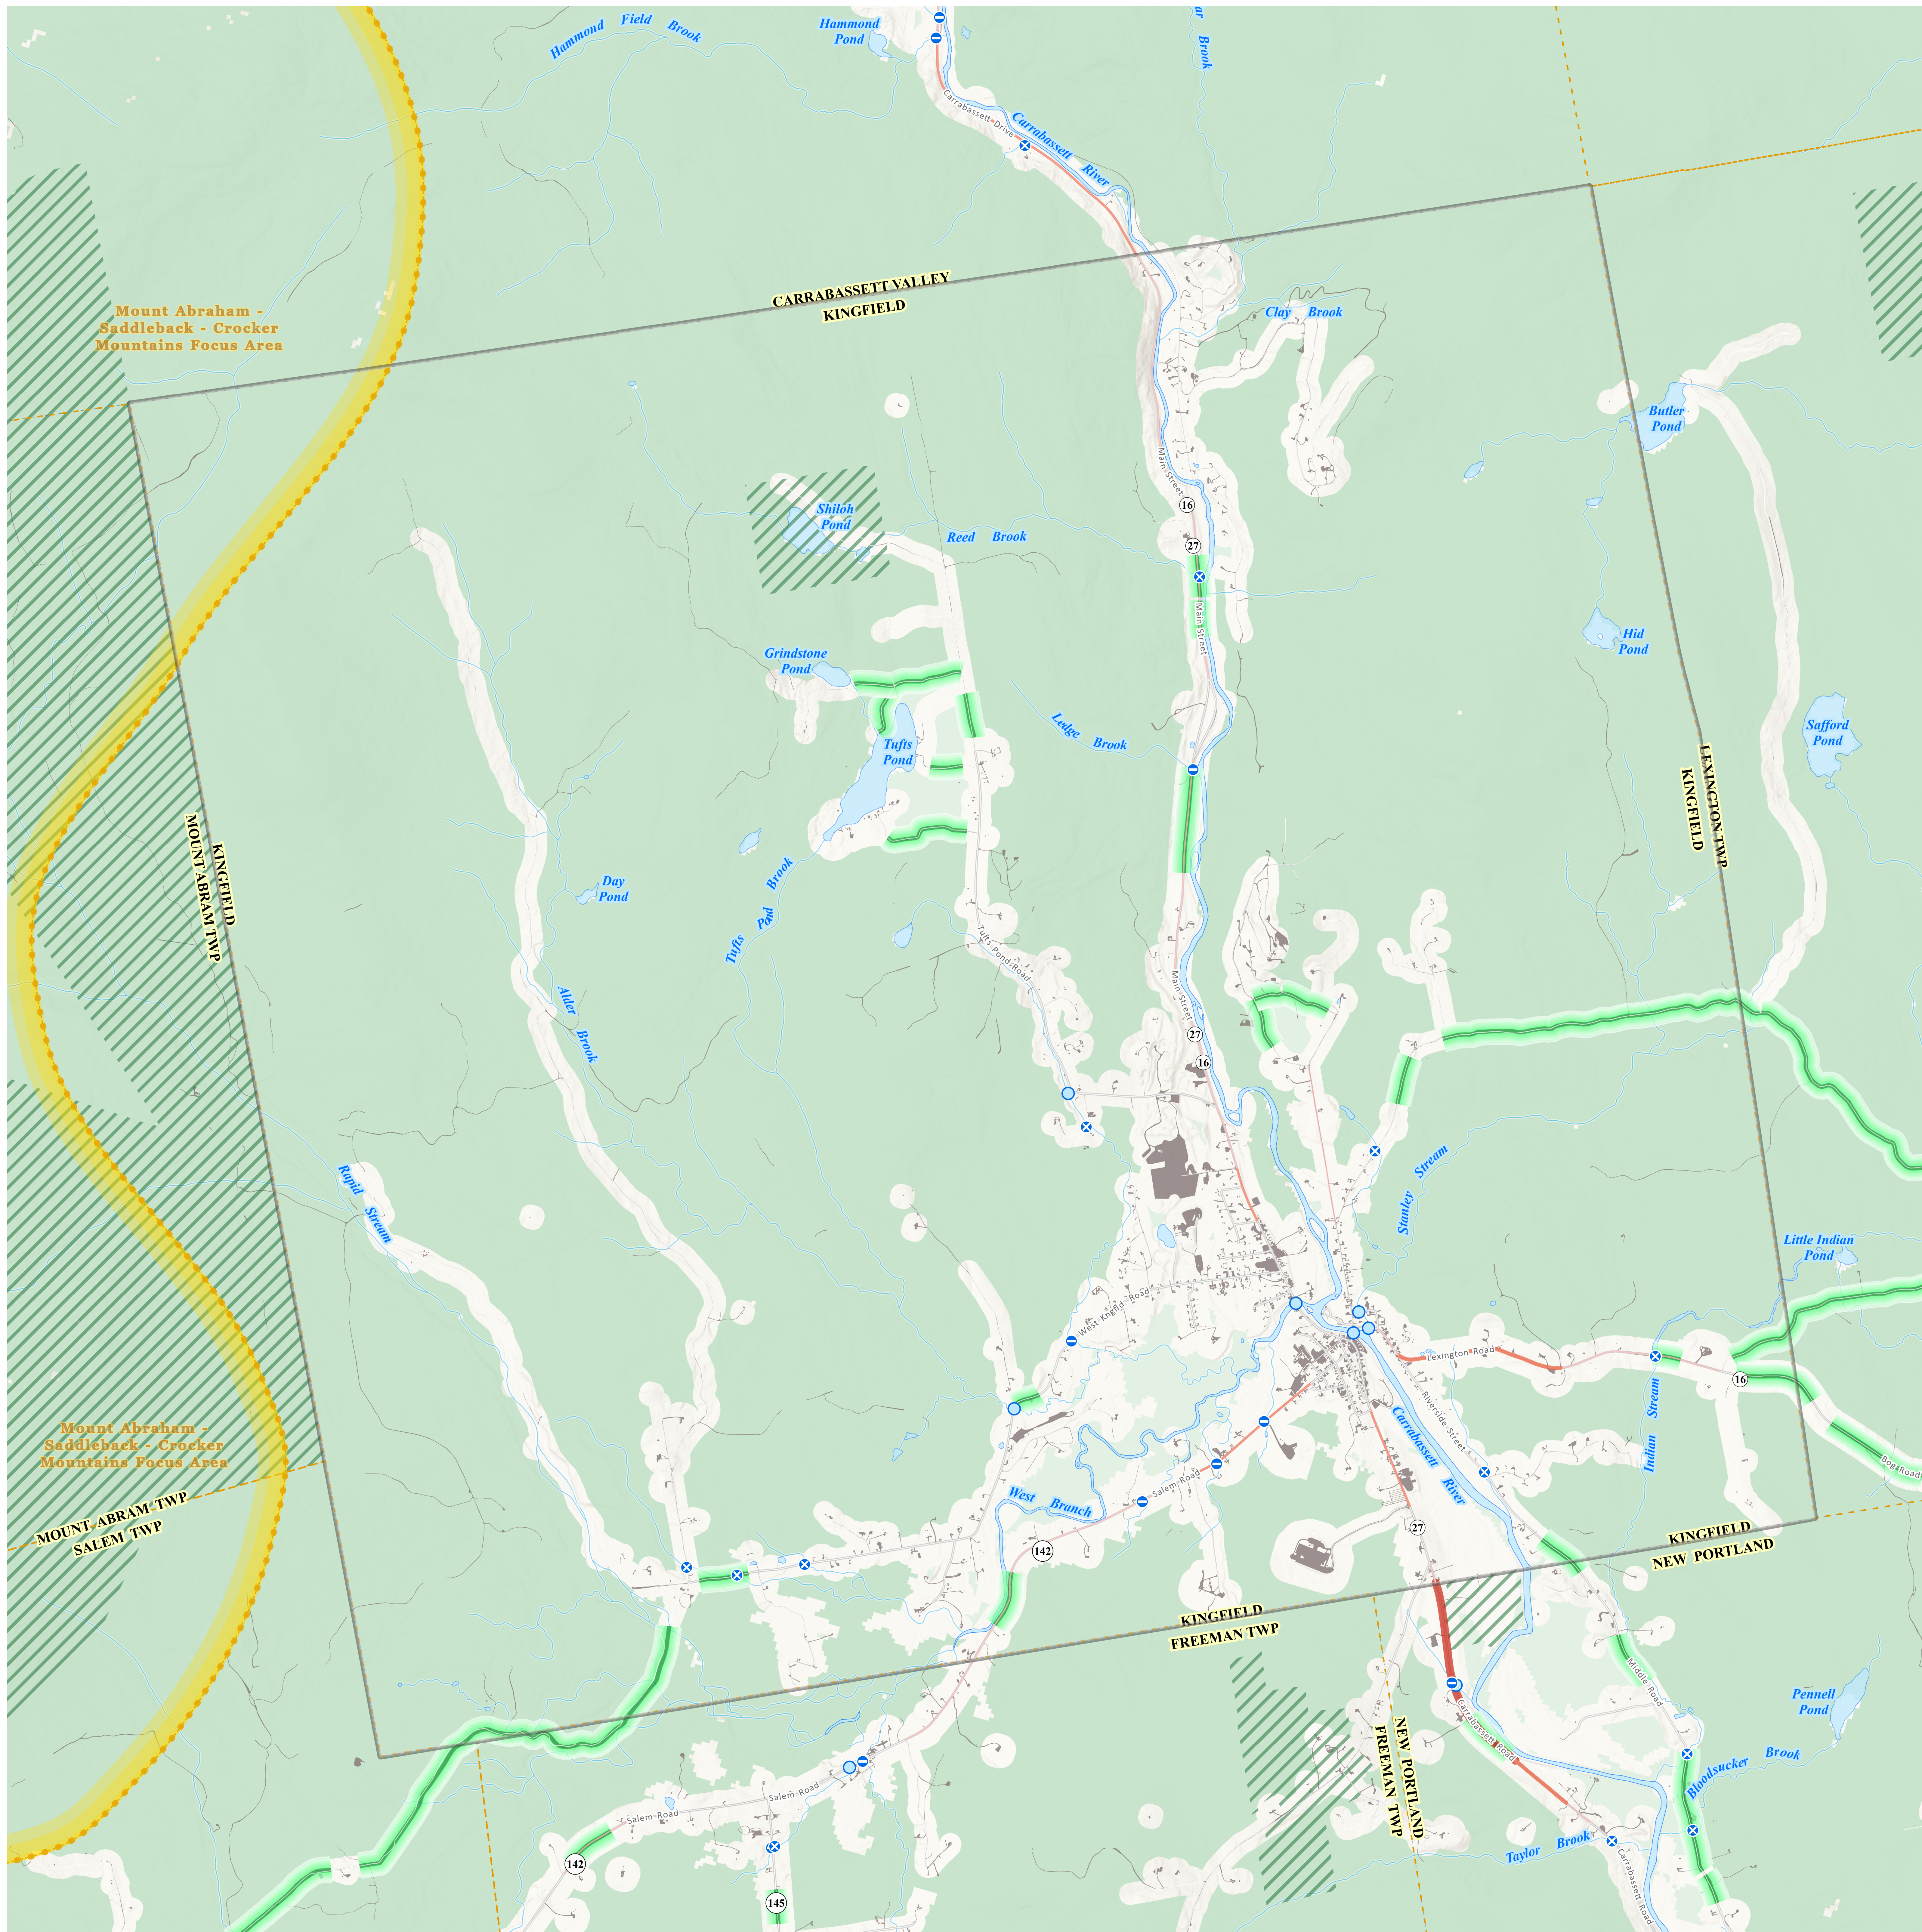

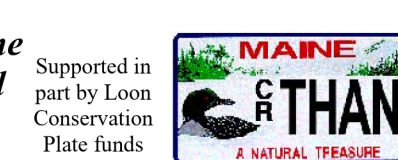

Focus Areas of Statewide Ecological Significance
